“Discovery House has a mission to provide a safe, secure and supportive, holistic environment to men seeking recovery from addiction.

South Okanagan Women in Need Society is an organization that supports individuals in their recovery from the impact of violence and abuse.

Critteraid

Critteraid Animal Sanctuary works to promote and foster animal welfare, while helping to end animal suffering through rescue and education.

• FOUNDRY •

Foundry's mission is to support young people in having a good life—that they should have a voice in their care and finding the right support shouldn't be difficult.

Nautilus Liveboards provides immersive diving adventures focused on shark and marine wildlife encounters, while also promoting marine protection and conservation efforts.

BETTER LIFE JUNIOR SCHOOL Kampala, Uganda

In Uganda, lack of access to education hinders the growth and potential of countless children. This school is determined to combat this issue by offering a comprehensive curriculum that focuses on essential development skills.
